Re - Taronne Atley

What does a family do when they have a son whom they believe is very talented in golf, and excellent in school, but do not know where to go to get assistance for that child to make his dream of being a professional golfer come true?

They find a coach like Taronne Atley. From the first day that she met Nathan, and analyzed his swing, we knew we had found the right person for our son. She videoed his swing, suggested a few changes, golfed with Nathan, and prepared him for tournaments.

Nathan's goal was to go to a University on a golf scholarship; Taronne said she could help. She made videos of Nathan & his swing and sent them to 150 - 200 Colleges & Universities, mostly in the United States. From those videos, Nathan received over 20 Scholarship offers.

With Taronne's advice and assistance, we chose a University in Texas, for Nathan to attend. Prior to Nathan going to University, Taronne took Nathan to Wally Goodwin's Ranch (Tiger Wood's former coach), where he took part in a week long golf camp with several instructors, including Taronne.

Nathan is in his final year in Miami, still on a golf scholarship, and we owe it all to Taronne.

Thank you!
